STOCK BY TVILUM

A CUSTOMIZED DESIGN SOLUTION

STOCK modular wardrobes is a smart solution. The wardrobes are available in a height of 220 cm with options of sliding or hinged doors. The wardrobe corpus are accessible in white or black along with grey interior surface. Fronts are available in black, white or in mirrored façade. One shelf and one solid bar in metal are included to every frame. Standard plastic handles accompany all hinged doors however it is possible to acquire alternative designs.

STOCK is adaptable to size and space, while the width can be extended as required. The wardrobe system fits both to a walk-in-closet, as a complete wardrobe solution or as a free-standing closing.

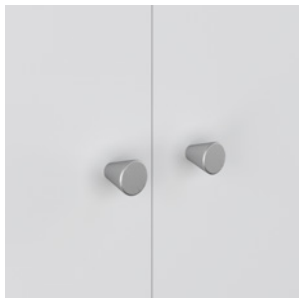

See Assembly

SIMPLE MOUNTING

STOCK is assembled with the unique SmartMount mounting system, which enable an upright mount of cabinets. SmartMount allows you to assemble the wardrobe front facing, and attach it directly to the wall after assembling. Hence, this brings easy assembling to a solid and more safe wardrobe. Additionally, the design diminish the risk of heavy lifting and moving of the wardrobe.

ORGANIZE YOUR WARDROBE

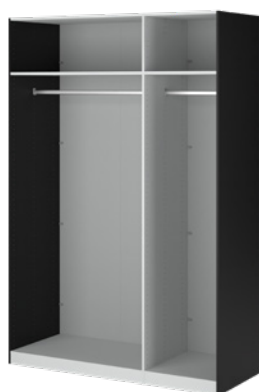

STOCK enable building a wardrobe solution that meets individual needs. Organize the wardrobe with our shelves, drawers, hangers and wire baskets for a personal touch. In addition to wardrobes and doors in white, black and with mirrors, STOCK has handles in four unique designs for the hinged doors and exclusive metal handles for our sliding doors.
